4. (Unclassified - JGO) In a meeting with Mr. Gullledge, Senate Post Office and Civil Service Committee staff, Mr. Gullledge advised that the Committee will take up the matter of the application of the 1 July effective date of the Senate pay bill when the bill comes to conference with the House. It has been determined no attempt will be made to amend the bill in this regard in the Senate. ✓

1. Met with Mr. Charles Johnson, House Post Office and Civil Service Committee, who indicated that he is contacting William Gullledge, of the Senate Committee, endorsing Mr. Gullledge's intention to amend the Pay Bill on the floor of the Senate to insert the necessary language to cover agencies which establish their salary levels by administrative authority. Mr. Johnson feels this is a preferable course to changing parliamentary objection to insertion of the appropriate language in conference. ✓

25X1 1. [] Met with Mr. William Gulledge, Staff Director, Senate Post Office and Civil Service Committee, and reviewed with him the retroactive effect of the 1 July effective date of the pay raise for executive positions and classified Civil Service. I also provided him with a copy of the 1958 pay increase act to illustrate the language necessary to provide for retroactive payment of salary increases by those agencies having administrative authority to establish pay levels. No commitment was received from Mr. Gulledge as to what action might be taken by the Committee on this matter.

9. Met with Mr. William Gullledge, Staff Director, Senate Post Office and Civil Service Committee, who advised me that all is okay with the sections of the Pay Bill directly relating to Agency interests. He further indicated that it is probably going to take a couple of more sessions to square away Title II of the bill within the Committee. This would indicate possible completion of consideration by the Committee and Senate consideration before the Fourth of July recess. ✓

25X1 9. [] Met with Mr. William Colledge, Senate Post Office and Civil Service Committee, who advised in part that he is hopeful of definitive action on the Pay Bill by the Committee in tomorrow's executive session. He also assures me that he sees no change at this time in the sections of the bill in which we are particularly interested. I am to meet with him again tomorrow after the Committee has met.

25X1 8. [redacted] Met briefly with Mr. William Guilledge, Senate Post Office and Civil Service Committee, on the status of the pay raise. Although the Senate Committee is endeavoring to meet as frequently as possible, the press of other business has limited their ability to meet each day this week. It appears very unlikely therefore that final passage of the bill can be accomplished prior to the Republican Convention in July. ✓

25X1 9. [redacted] Attempted during the day to schedule the final day of hearing with the Moss Subcommittee for Friday of this week. However, a poll of Committee members indicated that such a meeting is not possible. It was tentatively agreed that we would attempt to schedule for Wednesday, Thursday or Friday, June 24, 25, or 26.
